YES...

YEAH!

YUKI...

...AND KURUMI-CHAN!

AND THIS IS RUU-CHAN.

YOU'RE A CHEERFUL ONE! SO WHAT HAPPENED TO YOU GUYS?

PARA (FLIP)

SERIOUSLY? ARE YOU GOING TO SAY THAT WITH THESE KIDS RIGHT FRONT OF YOU?

UGH, I'D MUCH RATHER STAY INSIDE.

WANT TO GO CHECK IT OUT EVENTUALLY?

WE CONSIDERED POSSIBLY GOING TO THIS RANDALL CORPORATION...

I...

I'LL DO MY BEST.

?

HUH?

YEAH, THEY'RE NOT REALLY THAT BAD OR ANYTHING...

PIKU (TWITCH)

UM, HOW HAVE THINGS GONE HERE FOR YOU?

YOU HAVE THOSE MILITANTS, RIGHT?

WHEN THE PANIC FIRST STARTED AND EVERYTHING, WE DIDN'T HAVE ANY POWER YET.

SO EVERYONE WAS REALLY DESPERATE...

...AND PEOPLE WERE DROPPING LIKE FLIES.

WE WEREN'T GOING TO LAST LONG IF THAT KEPT UP.

SO THEY STARTED TO PARTITION OFF THE AREA, WITH DISCIPLINE THE NUMBER ONE RULE.

...YOU KNOW?

...BUT IF YOU GET HURT EVEN A LITTLE BIT, THEY SAY YOU'RE DANGEROUS, AND...

YEAH. THEY WELCOME ANYONE WHO CAN FIGHT...

THAT'S...

...HOW THE MILI-TANTS OPER-ATE.

YES ...

...SO WE'RE DOING JUST THAT.

WE COMPLAINED, AND THEY TOLD US TO DO WHATEVER WE WANTED...

BUT WE...

...DON'T LIKE THAT SORT OF STUFF.

OH YEAH!

NOT REALLY ...

IT'S ALL THANKS TO HIKA.

YOU'RE LEAVING TOO MUCH OUT.

...HIKA FOUND THE EMERGENCY POWER! AND THE FOOD STORAGE IN THE BASEMENT TOO!

THINGS WERE STARTING TO LOOK REALLY BAD, BUT THEN...

THEY LEFT US ALL ALONE, AND WE DIDN'T HAVE ANY FOOD OR WATER.

EMERGENCY POWER? DO YOU MEAN SOLAR PANELS?

YEAH, THEY WERE UP ON THE ROOF...

...SO SHE LOOKED AROUND TO SEE WHAT THEY WERE CONNECTED TO.

...THAT GAVE US FOOD, WATER, AND POWER...

...AND GAVE US THE TIME TO PLAY GAMES TOO.

ANYWAY...

THAT'S GREAT.

...BUT THEN COULDN'T THOSE MILITANTS LIGHTEN UP A LITTLE TOO?

THEY COULD...

...BUT IT'S REALLY HARD TO CHANGE THE WAY YOU DO THINGS ONCE YOU'VE STARTED...

HEH...

...THERE ARE ALL SORTS OF PEOPLE HERE.

IT IS COLLEGE, AFTER ALL.

WELL...

OHH!

" I SEE, I SEE.

YOU JUST THOUGHT OF THAT, DIDN'T YOU?

DON'T SAY THAT!

THAT'S REALLY COOL! YAY FOR COLLEGE! AND CAMPUS LIFE MAKES ME FEEL LIKE A GROWN-UP!

100% Recycled Paper

New people arrived.
We might just finally have new members
for the Degeneracy Appreciation Society, I mean, the Circle!

After last month, which was Robot Anime Month,
this month is Foreign Drama Month!

Week one is a 72-hour marathon!

"Inflation Model"

Seasons 1-6 in one go!

We'll be waiting! Touko

I'll be there.
Hika

Watching them's good and all,
but make sure you clean up, okay? Aki

Okay!

Let it not be said that indulging in temporary fantasies is a foolish endeavor.

Living is but another vain dream of glory.

We shall retake our forms after dreaming, and the dreams shall disappear into the ether.

Sumiko

Okay, so you're coming.

The night sky is so clear again tonight.

We have lost civilization and regained the real stars.

Hey, anyone seen Sumiko recently?
Touko

I haven't seen her
Maybe she's in the library?
Hika

She said she was going to look for fabric.
Maybe she went outside?
Aki

She didn't come here.
Rise

Sometimes she just up and disappears.

To whomever it was who borrowed the manga "My Maidenly Circumstances," volumes 1-17 from the library, when you check out books, please write which books you are taking down at the front desk, and when you bring them back, please put them back in their proper places.

It's the hidden character!
It's the arrival of the hidden character!
Since you're here, please do introduce yourself.

I offer my respects to the mistress of the library, the storehouse of never-ending knowledge. Please do guide we who are living in these Second Dark Ages on the path toward the wisdom of the ancients. Sumiko

I'm Rise Ryougawara from the cultural anthropology department. I'm usually in the library, but I come over here from time to time. If you have any questions about books, just ask me.
Rise

Sorry. I'll be sure to put them back right next time.
Hika

I'm Aki. I'm going to be joining you guys from now on. Nice to meet you.

Welcome to the Degeneracy Appreciation Society!

Aki was living with the militants, but things got a little awkward over there, so she came to us... That's okay, right?

The Degeneracy Appreciation Society?

Was that you guys' name? I mean, you did say that you like to take it easy.

Yeah.

We really have a bad reputation, don't we?

Then, how about the Idle Living Friendship Society?

A name is an expression of the body and a restriction of the heart. That is the law. It is the origin, but also the demise. The snake eating its tail. The never-ending change. That is the proper name for us.
Sumiko

The title of a notebook!?

It's not so bad.

Agreed.

I agree.

The power of light to change night to day.

However, the power of humans is but a fraction of that of the stars in the night sky. Still, I cannot help but see the arrogance of man fondly, as a young child standing on tiptoes.

Sumiko

It's solar power, so please don't overuse it

With power, we can start doing cultural stuff again. Thanks so much, Hika!

You're welcome.

All right! The GS4 is working too!

That's cultural stuff?

Looking for participants in a forty-eight hour Ballout 3 marathon!

Thank you from the library.

Who are you?

Ahhh, I really want to go to Akihabara! They should have some imported copies of BO4 in the shops there. Right?

Touko

If you go to Akihabara, I'd really like some electronics and manuals.

Hika

But I'm not really going. That's a bit too far away.

Akihabara is like the birthplace of your soul, is it not, Touko? But people can never truly return to their birthplaces, since the birthplace you return to is not the same birthplace that you set out from. And thus, you lose it once again. Longing for the birthplace that you can never see again may just be a sort of karma.

I miss it too. *Sumiko*

Date No.

Okay, this is the start of the Degeneracy Appreciation Society!
The members are...you, the ones reading this!

This week is Reading Week.
Let's all read the 123 volumes
of the Queen Saga together!
Touko

The Degeneracy Appreciation Society?

Ah, degeneracy. Did you know?
The word refers to the walls crumbling
down around us. In a world where
all has degenerated, calling ourselves
degenerates is rather amusing.
Sumiko

Okay. But degeneracy's still a little much.
Hika

No, nothing so intense. I just thought
we could have a little fun since Hika
gave us some breathing room, I guess?

I think it's a good name.

When I started college, I felt like I had been left all alone in this huge place.

I was given a book—the course catalogue. I had to pick out my own classes from it, arrange my own schedule, and calculate my credits all on my own. I had no idea what to do. Through high school, if I didn't come to class, I stood out and people would get mad at me. But in college, no one cared, and they didn't say anything if I skipped class. In exchange, I'd have to stay another year.

Having to decide everything for myself like that was incredibly frightening at first. In a way, that was just an illusion, and there are plenty of people, both in college and in the working world, who will offer to help you. However, it may be that you have to realize that on your own.

College life for Yuki and the gang is full of such brand-new challenges. Please do wait for the next volume, with more of the school living club's dazzling campus life.

Thank you.
